# Trip Summary

## INTERNAL FLIGHTS

The total baggage allowance for each passenger, inclusive of hand baggage, cameras, filming equipment and any other personal item including loose clothing items, is 20kgs (44lbs) per passenger. Excess baggage will only be carried, at the sole discretion of the Captain of the aircraft, if the payload of the aircraft and/or space permits and will be charged at the prevailing rate for carriage of freight.

If passengers anticipate they will have excess baggage, we recommend below options:

- Excess Baggage is available in slabs of 10kgs.
- Excess baggage cost: \$60.00 & \$30.00.
- Cost varies on the route/class booked.
- Maximum 4 slabs (40kgs) additional luggage can be booked per passenger.
- Excess baggage can be purchased online for all classes on all routes.

For more than 40kgs, a "freight" seat at a child fare to be booked, which will permit confirmed carriage of an extra 75kgs. Captain of the aircraft may weigh the bags at airstrips, excess baggage can only be allowed at the Captain's sole decision based on aircrafts capacity. It is highly recommended to carry soft duffle bags.

### NOTE:

1. For clients' safety and that of the wildlife, our driver-guides are not allowed to exceed a speed of 50KPH in the parks, while speed limit inside the Ngorongoro Crater is strictly 25KPH.
2. Game viewing from vehicles is restricted to designated tracks/ roads and driving off-road is not allowed except in specified areas; please check with your driver-guide.
3. Night driving is not allowed in the parks (from 1900hrs evening to 0600hrs in the morning), except where night game drives are permitted like in Lake Manyara National Park.
4. It is illegal to own or carry government trophies (wildlife parts and products) without a permit from the Tanzania Wildlife Division. For visitors who have purchased trophies from other countries, they are required to have import license and a receipt while in Tanzania. This is in line with the heightened conservation awareness on the part of the general public and increased surveillance by government agencies especially at points of entry and exit in Tanzania.
5. Use of drones or Unmanned Aerial Vehicles (UAV) of any size for photo taking, filming and any other purpose is not allowed in the game parks.
6. Masks to be worn at all times in public areas. Please ensure you sanitise regularly and maintain a social distance of 2 metres.
7. Please note in-case you are tested positive for Covid you will have to follow Governmental rules and quarantine in a designated hotel at your own cost . Covid tests will be at own cost.

**Government Taxes and Levies:** The rates above are inclusive of current levies & taxes as of today, however, should there be any new statutory taxes introduced and/or increase of any current levies by Government/statutory bodies the same shall be passed on to you

**PLEASE NOTE: FROM 1 JUNE 2019 TANZANIA HAS ENFORCED A PLASTIC BAG BAN. TO AVOID HEAVY FINES KINDLY DO NOT USE PLASTIC BAGS.**

# Daily Information

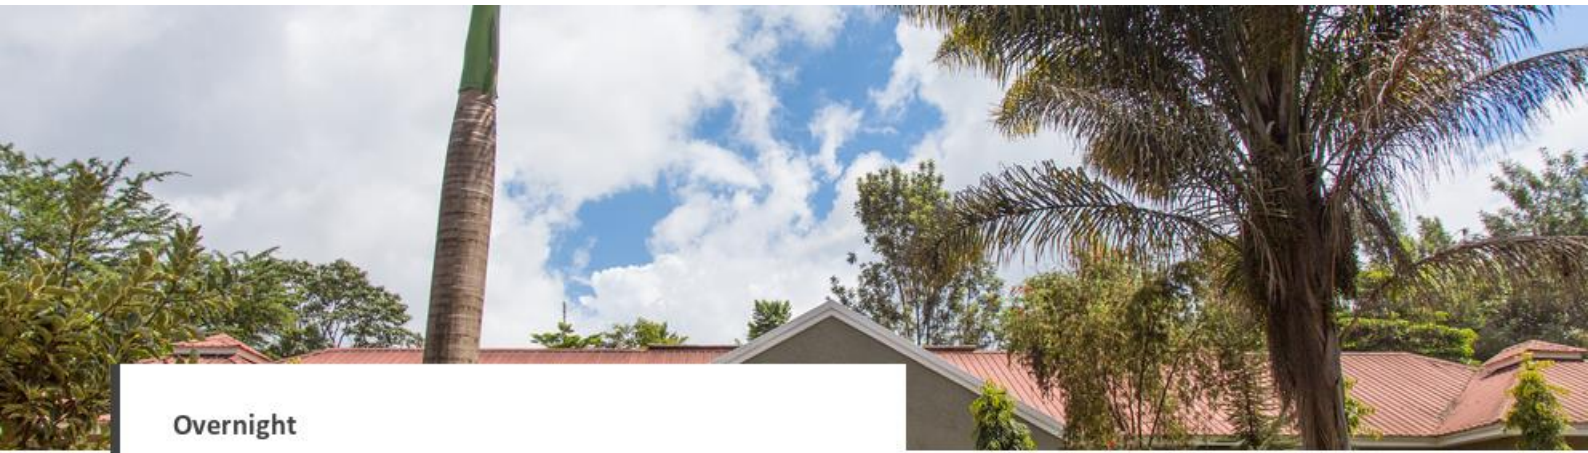

Day 1 - 2, Sunday 07 to 08 June

## Arusha

Arusha is the safari capital of Tanzania located at the foot of Mt. Meru, close to Mount Kilimanjaro, the Manyara, Tarangire and Ngorongoro National Parks. From there it's only a short trip to the Serengeti. Just to the north, on the slopes of Mt. Meru is the Arusha National Park. Built by the Germans as a centre of colonial administration because of the temperate climate, Arusha is a good spot to take a day or two off from your safari.

## Day 1 - 07 JUNE 2026

Arrival at Kilimanjaro International Airport. Meet and greet and transfer to Arusha.  
Dinner and overnight at **Planet Lodge Arusha** on half board basis.

Overnight

## Arusha Planet Lodge

Nestled in the heart of Arusha, Planet Lodge will captivate you with the natural beauty of the Tanzanian landscape. Each chalet is tastefully decorated with African decor creating a peaceful immersion in the colors and culture of Africa. Distinctive guest rooms feature oversize panoramic windows to allow the Tanzanian sunshine to greet you each morning.

Gust chalets are powered by solar and grid electricity, keyed entry, beautiful artisan bedding and spacious mosquito net. Room amenities include a laptop size safe, a desk & chair, telephone, private bathroom with solar powered shower and balcony to unwind or wake up to singing birds. Our friendly housekeepers and room service staff keep your room tidy and stocked with fresh linens daily.

Day 2 - 5, Monday 08 to 11 June

## Central Serengeti

Situated in the heart of Tanzania, the Central Serengeti encompasses the world-famous Seronera Valley which is known for its prime wildlife-viewing opportunities. This picture-perfect landscape is characterised by endless stretches of savannah-covered open plains interspersed by rocky outcrops of granite and scattered with acacia woodlands and covered in a network of rivers and streams. The Central Serengeti forms part of the great wildebeest and zebra migration and provides an ideal habitat for a variety of wildlife such as giraffe, impala, waterbuck, hippo, elephant, buffalo, lion, leopard, hyena, jackal, serval and much more. Popular activities include: game viewing, cultural tours, horse riding safaris, and hot air ballooning over the spectacularly scenic terrain.

### The Singing Grass

The Singing Grass bush camp offers a deluxe experience that lets guests enjoy the glamour of vintage Africa with nothing but ease. These tents are specially designed to provide guests with a luxurious experience with windows offering a unique view of the natural world outside. The campsite offers the most lavish stay in the middle of nowhere with the wood-panelled floors, polished bathtubs, and an outstanding combination of marvellous furniture and designer amenities. Each tent is equipped with running hot and cold water, flush toilets, electric lights, mosquito nets, and a cosy bed. There is 24/7 internet and electricity access with a full-time attendant. Further equipment includes tables, chairs, curtains, fine linen, and an insect-proof luggage rack so that guests don't have to worry about anything. The beauty of the tents is only enhanced by the clear view of the Serengeti plains, wide-open skies, hazy sunsets, and bleak golden sunrises, which guests can easily witness from their tent window.

Day 5 - 6, Thursday 11 to 12 June

### **Ngorongoro Crater**

Located in Northern Tanzania, the Ngorongoro Crater is best known for its natural beauty and abundance of diverse wildlife; which makes it one of Africa's most popular safari destinations. Surrounded by Tanzania's highlands, this UNESCO-listed crater is said to be the world's largest intact volcanic caldera. Visitors can look forward to spotting the world-renowned Big Five and a host of other wildlife species including large herds of zebra and wildebeest. It is famed as one of Tanzania's best tourist attractions offering visitors an array of wonderful activities including excellent bird watching, trekking, wildlife viewing, mountain biking and visiting a local Maasai village. Don't miss the opportunity to jump on an excursion to the magnificent Olduvai Gorge.

### **Day 5 - 11 JUNE 2026**

After breakfast drive to Ngorongoro Conservation Area for lunch.

Lunch at Ngorongoro Serenal Lodge. Afternoon at leisure. Dinner and overnight at **Ngorongoro Serena Lodge.**

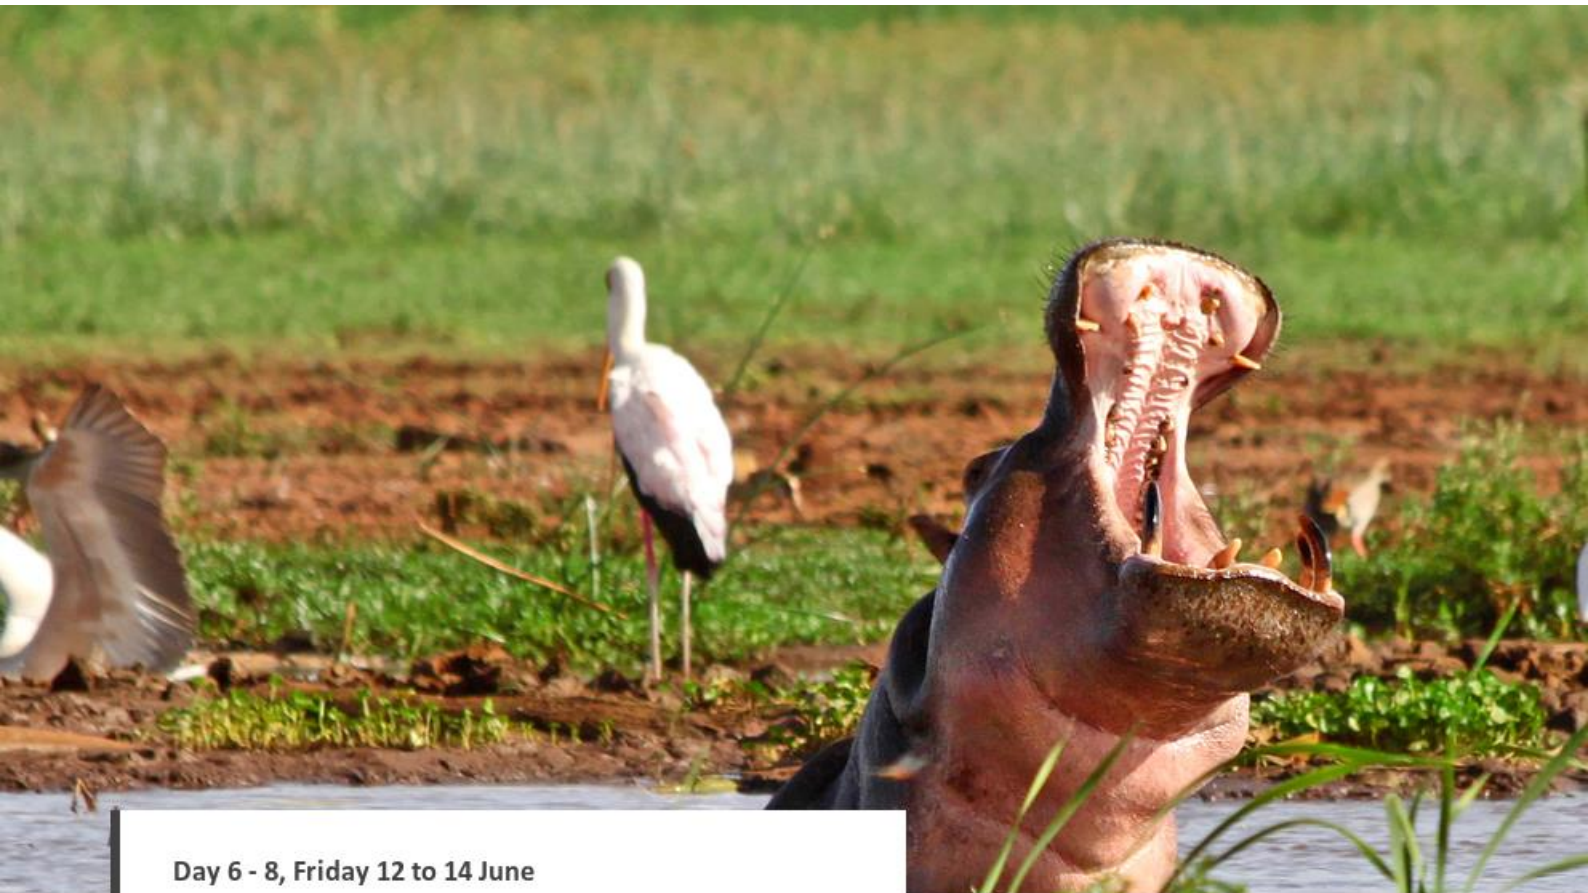

Overnight

## Ngorongoro Serena Safari Lodge

Nestled high on the jagged rim of the Ngorongoro Crater and shrouded in mist, the Ngorongoro Serena Safari Lodge is a stunning example of ecological and architectural harmony. The boulder-built buildings of the Lodge are camouflaged by indigenous creepers and linked by timber walkways that skirt ancient trees. Inside, guests are greeted by the hushed ambiance of a game-viewing hide and the ochre, rust, and charcoal imagery of a prehistoric cavern, decorated with Maasai iron spears, bright-beaded robes, and intricately-carved artifacts. The rooms, strung around the crater rim, are adorned with brass lamps, wildwood mirrors, and Maasai carvings, each featuring its own rock-enclosed balcony and uninterrupted views of the Crater below. After a day of adventure, guests can follow a gentle nature trail, take a guided walk to the Crater's rim, or simply relax with a herbal massage as the sun sets behind the mountains. Explore the Cradle of Mankind at Ngorongoro Serena Safari Lodge and experience one of the most unique travel experiences in the world.

Day 6 - 8, Friday 12 to 14 June

### **Lake Manyara National Park**

Situated in Tanzania's central-northern region with the Lake Manyara to its east and the Manyara Escarpment to its west, the Lake Manyara National Park offers breathtaking views and a large variety of habitats supporting an array of wildlife. This small park is home to surprising biodiversity and features a magnificent landscape of acacia woodlands, forests, baobab strewn cliffs, algae-streaked hot springs, swamps and the lake itself. The park supports over 400 species of bird and the largest concentration of baboons anywhere in the world. Other species to spot include giraffes, zebras, wildebeest, impala, waterbuck, warthog, the Cape clawless otter, and the Egyptian mongoose. Don't miss the opportunity to see thousands of flamingos on the lake, the renowned tree-climbing lions, and large families of elephants strolling through the forest.

### **Day 6 - 12 JUNE 2026**

After breakfast collect picnic lunch and descend down the crater for a crater tour then proceed to Manyara. Dinner and overnight at **Lake Manyara Serena Lodge**.

### **Day 7 - 13 JUNE 2026**

After breakfast collect picnic lunch and drive to Manyara National Park. Game drive. Dinner and overnight at **Lake Manyara Serena Lodge**.

Overnight

## Lake Manyara Serena Safari Lodge

Lake Manyara Serena Safari Lodge is nestled in a peaceful location within the Lake Manyara National Park, offering a stunning view of Tanzania's Mto wa Mbu escarpment. The lodge is designed to reflect the brilliant birdlife of the region with avian curves and wall frescoes depicting migratory patterns, while the accommodation, housed in circular two-story rondavels, offers traditional charm and modern amenities. The lodge provides opportunities for game drives, outdoor excursions, village tours, lounging by the "vanishing horizon" pool, and dining at the Flamingo Restaurant, with the option of arranging a bush meal. Additionally, Lake Manyara is a popular destination for birdwatching, as it is home to over 300 migratory birds, including flamingos, eagles, and kingfishers. The park is also abundant in wildlife, with sightings of monkeys, hyenas, giraffes, elephants, and many more.
